

ABP

ARIS Business Publisher

INTRODUCTION

ARIS Business Publisher enables read-only access to ARIS content with full navigation and search, but limited analysis functionality.

BENEFITS

Upon completing this training course you will be able to publish ARIS content, customise the published output, create different publishing profiles, and perform user management within the published portal. Delegates will also learn how to identify and implement business user requirements of the published portal.

METHOD

A lecture, demonstration, practical exercises on the system and discussion.

COURSE CONTENT

- Set-up of ARIS users and ARIS database for publishing
- Customising Publishing Profiles
- Creating and activating ARIS Business Publisher exports
- User scenarios and user management in the published portal
- Customising published output.

REQUIREMENTS

Previous participation in the training courses ABD – Business Process Modelling with ARIS Business Designer and ABA – Management of ARIS Projects with ARIS Business Architect is required.

COURSE DURATION

One day.
